

Neighbourhood Watch Report to Great Addington Annual Parish Meeting May 2016

I continue to receive regular reports and information from Northamptonshire Neighbourhood Watch and I publish the relevant reports and advice in Saints Alive. Reports recently have focussed on the dangers of on-line and doorstep fraud and give advice on how to avoid being 'caught' in this way.

There are very few reports of local crime, usually theft from cars or garden sheds, or antisocial behaviour in our area and I am grateful to those of you who contact me with your concerns and hope that you will continue to do so.

Janet Mayes

Neighbourhood Watch Coordinator
Great Addington
